

CLOSED Circuit

Volume 71, No. 6
June 2011

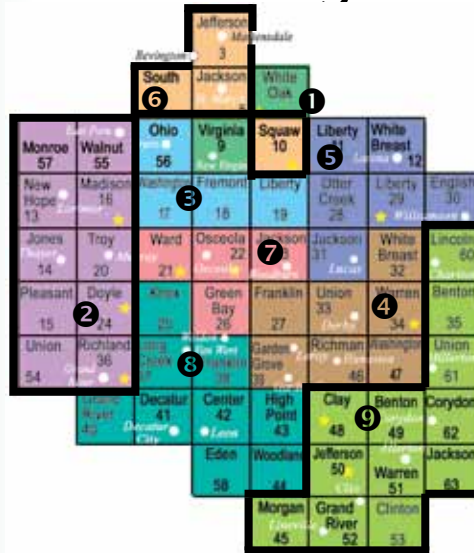

Official Publication of
 **CLARKE**

ELECTRIC COOPERATIVE, INC.
Your Touchstone Energy® Cooperative 

Cooperative Highlights:

- ▶ **CEC Office Closed July 4**
Enjoy your Independence Day!
- ▶ **Contractors—Hard at Work**
Croft Construction crews are working in the Clio area. Watts Electric teams are changing poles in the Lacona area and building new line in the Grand River area. Coddington workers are cutting trees north of Murray.
- ▶ **Clarke Electric Crews**
CEC crews are doing maintenance work and beginning phase one of the Department of Energy grant by setting communications poles and constructing equipment shelters in the substations.
- ▶ **Reading Pays**
Look for your hidden account number in this issue, call during June, and have \$10 deducted from your monthly energy account.

Nominating Committee Is Appointed

The following were appointed to serve on the Nominating Committee to select candidates for three expiring terms on the cooperative's Board of Directors: Dwayne Henrichs and Gary Robins (District 2), Brad Hobbs and Fred Ocheltree (District 6), and Wayne Hornocker and Gary Alley (District 9). 35-10-03-01

As a cooperative, Clarke Electric Cooperative's Board of Directors is elected by and from the membership of the cooperative. Terms which expire with this year's annual meeting on September 12th are District 2: Randy Gaumer serves Monroe and Walnut (Madison County); New Hope, Jones, and Pleasant (Union County); Union (Ringgold County); Madison, Troy, and Doyle (Clarke County), and Richland (Decatur County) townships. District 6: Bill Willis serves the townships of Jefferson, Jackson, and Squaw (Warren County) and South (Madison County). *Note: correction from listing in the May Closed Circuit.* District 9: Larry Jackson serves the townships of Lincoln and Benton (Lucas County); Union, Clay, Benton, Corydon, Jefferson,

Continued on page 4

If you see any suspicious activity around Clarke Electric Cooperative's property or equipment, please call us at 800-362-2154. Your name will be kept anonymous.

YOU CAN HELP!

- If you see anything unusual, such as dangling wires or an open substation gate, contact Clarke Electric immediately.
- Watch for cut fences and missing covers on transformers, locks, or vaults.
- Never enter a substation or touch its equipment.
- If you see anyone around an electric substation who is not properly identified as a utility worker or contractor, call Clarke Electric or the local sheriff.

There have been three instances in the Lucas County area where someone climbed the poles and cut the neutral copper wires in order to sell the copper for cash.

It could result in an electrocution and even death. Also, removing the neutral wire could result in voltage spikes to members' homes or equipment/appliances.

THIS IS EXTREMELY DANGEROUS!

The Search Is On!

The following are past or present members of CEC who were issued a patronage dividend check or other check and did not cash it. If you can help us locate them, or if you are on the list yourself, write us or call at 641-342-2173 or 800-362-2154 between the hours of 7:30 a.m. and 4:00 p.m. Monday through Friday. The cities listed after the names are in Iowa unless otherwise stated.

Locating Underground Lines Past Our Meters

CEC and other utilities only locate their underground facilities for an Iowa One Call request. We do not locate those underground lines that you own (those past our meter) from an Iowa One Call notification.

If you want Clarke Electric to locate your lines from the meter to your house or other buildings on your property, we will do that for a \$125 fee. Please call us directly for the locate service at 800-362-2154 from 7:30 a.m. to 4:00 p.m.

Practice Bin Safety

The state of Iowa requires specific clearances for electric lines around grain bins, shown in the drawings. The cooperative is required by the Iowa Utilities Board to provide this annual notice to farmers, farm lenders, grain bin merchants, and city and county zoning officials. If you have any questions concerning clearance regulations, please call Clarke Electric Cooperative at 641-342-2173 or CIPCO at 800-373-8011. We will provide the assistance you need for a safe environment for everyone working and living on your property. According to the Iowa Electric Safety Code found in Iowa Administrative Code Chapter 199—25.2(3) b, an electric utility may refuse to provide electric service to any grain bin built near an existing electric line which does not provide the clearances

required by the American National Standards Institute (ANSI) C2-2007 “National Electrical Safety Code,” Rule 234F. This paragraph “b” shall apply only to grain bins loaded by portable augers, conveyors, or elevators and built after September 9, 1992, or to grain bins loaded by permanently installed augers, conveyors, or elevator systems installed after December 24, 1997. (As adopted by the Iowa Utilities Board)

Nominating Committee

Continued from page 1

Warren, Jackson, Clinton, and Grand River (Wayne County); and Morgan (Decatur County).

CEC Board members are required to be a member of the cooperative and a bona fide resident served by the cooperative. Each board member is elected to a three-year term.

In conjunction with these requirements, a Board member is expected to attend monthly Board meetings, usually the 4th Wednesday of the month, and is encouraged to attend various training meetings held throughout their terms as director. Because the Board of Directors is responsible for establishing the policies and rates under which the cooperative operates, it is important that directors can devote adequate time to these activities. 05-11-15-00

If you have any questions about serving as a director or the election process, need information on which district you are in, or if you are interested in seeking a nomination, contact one of the nominating committee members or call our office.

Bill Freeman, Manager
Don Lange, Manager of Operations and Engineering
Dave Opie, Manager of Finance
Jodee Eckels, Editor

Closed Circuit is owned, controlled, and directed by Clarke Electric Cooperative, Inc., in Osceola, Iowa. It is printed monthly to help its members achieve maximum benefits from the conservative use of electrical energy, to inform them of the business of the cooperative, and for the general welfare and safety of rural residents in its service area of south central Iowa. Editing and layout by The Write Place.
