Terms and Conditions—Drain Water Heat Recovery Program

Program Offer: The Program covers products purchased and/or services rendered on or after **January 1, 2010**.

General Requirements

1. Water heater must be electric
2. Must be approved Drain Water Heat Recovery pipe system. Homemade systems are not eligible for the incentive

Manufacturers with DWHR systems pre-approved for this incentive:

Renewability Energy Inc. (PowerPipe)
ReTherm Energy Systems Inc. (ReTherm)
Watercycles Energy Recovery Inc. (Watercycle)
Waterfilm Energy Inc. (GFX)
Inventroment Inc. (ECO-GFX)

If you wish to purchase a unit not manufactured by one of the above companies, call the Cooperative first to see if it will qualify for this incentive.

Warranty Information:

Your cooperative makes no warranties, expressed or implied, with respect to equipment operation, material, workmanship or manufacturing. The Cooperative does not guarantee that a certain level of energy or cost savings will result from the use of products covered by this program.

Tax Liability: The Cooperative will not be responsible for any tax liability that may be imposed on the Participating Member as a result of the payment of Program Incentives.

Limitation of Liability:

Participating Members agree that the Cooperative's liability, in connection with this Program, is limited to paying the Program Incentive specified (when all Terms and Conditions have been satisfied by the member). Under no circumstances shall the Cooperative be liable for any consequential or incidental damages resulting from participation in this Program.

Participating Member's Certification:

Participating Member certifies that he/she purchased and installed the equipment listed in their application at their defined location served by the Cooperative. Participating Member agrees that all information is true and that he/she has conformed to all of the program and equipment requirements listed in the application.

Program Changes/Termination:

While this rebate program will be in effect for an indefinite period, the Cooperative reserves the right to extend, modify (this includes incentive levels) or terminate this Program without prior or further notice. The member is responsible for checking with the Cooperative to determine whether the program has been changed or is still in effect.

Other Conditions

The Cooperative reserves the right to inspect installations before issuing the rebate. If the application does not comply with the Cooperative's rules and qualifications, the rebate amount may be adjusted.

Members must apply for rebates within 6 months of the purchase date (as shown on the member's invoice). Past eligibility, however, does not guarantee that equipment will meet criteria for current programs in effect.
