

<b>2012 APPLIANCE RECYCLING REWARDS PROGRAM</b>		
<b>Program</b>	<b>Rewards</b>	<b>Requirements</b>
Remove and recycle old, inefficient operating appliances.		Appliances must be in operating condition when tested at time of pickup. You must be a member of CEC. Appliances must be left at the curb or a readily accessible location at the members' residence. Limit of three rebates for operable units per address. For pick up call 641-342-2173 or 800-362-2154 and ask for Jason.
Refrigerator	\$35/unit
